

## **Tuition Payment Deadline**

### **Frequently Asked Questions**

#### **Why is CCC requiring payment by a deadline?**

This makes students' financial responsibilities more clear, helps prevent tuition bills from becoming debts, and ensures fairness by requiring all students to pay for the classes they take.

#### **What if I have a scholarship, Star Scholarship, CHA Partners in Education waiver, a CCC tuition waiver, veteran's benefits, or a tuition benefit from my job that hasn't gotten to me yet?**

Contact your college's Business Office with official documents that show details about your scholarship, tuition benefit, or CCC waiver before the deadline. If you are a Star Scholar, also speak to your advisor to confirm that your details are up-to-date.

#### **What happens if I register for classes after the payment deadline?**

As long as you register by the registration deadline, you will have 3 calendar days to pay your tuition or set up a payment plan.

#### **How do I get on a payment plan?**

Log in to [my.ccc.edu](http://my.ccc.edu). Select: Click on Student Finance Account > Account Services > Enroll in Payment Plan > Select a Payment Your payment plan is processed immediately upon receipt of your down payment. Learn more about our payment plan and other tuition options at [www.ccc.edu/WaysToPay](http://www.ccc.edu/WaysToPay).

#### **What if I didn't complete a FAFSA yet?**

Do it as soon as possible! Go to [www.ccc.edu/FAFSA](http://www.ccc.edu/FAFSA) for more information and visit your Financial Aid Office for additional support.

#### **What if I did the FAFSA but now I have to be verified?**

Log in to your student portal and review documents that must be submitted. If you submitted document(s) more than 2 days ago, and have not received any new information, contact your Financial Aid Office. Contact your Business Office with the details about your verification status immediately.

#### **If I get removed from my classes and then I pay my bill, can I register again?**

Yes, if there is still space in your selected classes and the deadline to register has not yet passed. If it has passed, consider taking classes in the 12-week or 8-week sessions to stay on track for your degree.

#### **Is the payment deadline the same as the registration deadline?**

No. The payment deadline comes before the registration deadlines; the payment deadline is the same for all sessions (16 week, 12 week and 8 week).

The payment arrangement deadlines for summer and fall semesters are as follows:

\* For Summer credit classes: Wednesday, May 22, 2019 at 11:59 p.m.

\* For Fall credit classes: Monday, August 12, 2019 at 11:59 p.m.

NOTE: As of Thursday, August 22<sup>nd</sup>, the deadline to register for fall 16-week classes has been extended until August 24<sup>th</sup>. Students who register during this extended registration period will have until Sunday, August 25<sup>th</sup> to verify their tuition payment plan.

**What if I register for my classes after the payment deadline?**

You have three calendar days, starting the day you register, to make your payment arrangements. If you don't finalize payment or enroll in a payment plan by 11:59 p.m. on the third day, you will be removed from your classes.

For example: If you register on Thursday, then Thursday is Day 1. Friday is Day 2. Saturday is Day 3, and 11:59 p.m. on Saturday is your payment deadline.

Note: this timeline does not apply to those who register during extended registration (August 23<sup>rd</sup> and 24<sup>th</sup> – those students will have until Sunday, August 25<sup>th</sup> at midnight to verify their tuition.)

**What if my classes start later in the semester?**

All students must confirm have their 'Payment Deadline Satisfied' in place by the deadline for the semester.

**What does this mean for Early College students?**

Students in Early College will need indicators added to their account prior to the deadline. If students have any concerns, they should contact their Early College Coordinator.
