Policy for Library usage

All students are required to follow the rules of the library (posted online, posted throughout the library). Students breaking rules will be asked politely by library staff to change their behavior. If student refuses, the student will be asked to leave the library. If student still refuses, security will be called to escort student out. Once a student is escorted out of the library by security, student will not be allowed back into the library for that same day. The student is welcome to visit the library the following day, provided the student follows the library rules.
