Overview
This guide will give you step by step instructions for using the Wright College Library Databases to research works of art and artists.

EBSCO Academic Complete and Premier
- Go to the Wright College Library page at wright.ccc.edu/library. The Wright College Library page will load.
- Click the Find Articles link under Start your research.

- A new page will load with a list of the library's databases.
- Click the **EBSCO Academic Complete and Premier** link to open the database.

  ![EBSCO Host](image)

  **Academic Journals, Magazines and Newspapers**
  - EBSCO Academic Complete and Premier
  - Harper’s Historical Archive
  - JSTOR

- The database will load. Enter your keywords in the search box provided.

  ![Search Box](image)

  **What is a keyword?**
  A keyword is a term or phrase related to the topic you are researching.
  To develop keywords, think of the core ideas of your topic.

- Then click the **search** button to submit your search.

  ![Search Button](image)

- Click the check box next to **Full Text** to find full-text articles.

  ![Refine Results](image)

- Results will load. Click the **full text** link under the description of the database to open the article.
• The article will open. On the right you will see the **Tools** menu.

- Click the **white envelope** to email the article.

- Click the **cite** icon to get the citation format you would use for your list of References or Works Cited page. **Note: Citations generated from the database are not completely accurate compare with a source your instructor recommends.**
• Click the **printer** icon to print the article. **Note:** Do not click the print icon in the Tools menu. It does not print the full-text of the article.

---

**JSTOR**
