

# WILBUR WRIGHT COLLEGE GREAT BOOKS CURRICULUM

DEDICATED TO THE BEST THAT HAS BEEN THOUGHT AND SAID.

## ENROLL IN A GREAT BOOKS COURSE!

### WHAT IS THE GREAT BOOKS CURRICULUM?

A set of core courses in English, History, Humanities, Literature, Philosophy, Political Science, Reading, Religion, and Theater. It is also a series of intellectual and cultural activities for students and faculty.

### WHAT IS A GREAT BOOKS COURSE?

The key difference is the materials you read, study and write about. At least half the readings in a Great Books course are chosen from among the roughly 275 of the most central and influential thinkers in our civilization. Great Books faculty work closely with you to equip you to understand and be changed by crucial texts in human history.

### WHAT DO THE GREAT BOOKS OFFER ME?

Exposure to many important ideas mankind has produced.

The Great Books have inspired, empowered, consoled and nourished millions of people for centuries by helping them better understand the meaning of their lives and the world. Great Books are among the most beautiful and profound ever composed and have been at the heart of our civilization, having been instrumental in making it more rational, just and humane.
