Go to [www.ccc.edu/colleges/wright](http://www.ccc.edu/colleges/wright) and click on Admissions for more information and to sign up for the workshop.

  **You must attend New Student Orientation and have completed the Student Skills Assessment before taking the placement test.** All new students are required to take the Placement Test unless you have transcripts from another college/university indicating you have completed college level course work in the areas of reading, writing and math, meet a certain score on the ACT test or have Advanced Placement scores of 3 or higher in specific areas.

  In addition, transfer students or those who already possess an undergraduate or graduate degree from an accredited institution may be required to take a placement test, depending on the prerequisites for the desired course. Prepare and review for the placement test. Find a study guide at [www.act.org/compass](http://www.act.org/compass). The placement test results will be used to register you for your courses. The Testing Office is in Room L131. Testing is on a first-come, first-served basis. Bring a pen and arrive at least 30 minutes before the test time to complete the required forms for the test(s).

**Note:** Students with documented disabilities (Individualized Education Programs) may contact the Disability Access Center in Room L135, before taking the Placement Test to arrange for testing accommodations.
