Education that Works

Malcolm X College Early College Information Sessions

The mission of Early College programming is to create opportunities for high school juniors and seniors to earn college credit prior to graduating high school by providing college and career access to eligible students of public, charter, and private high schools.

Motivated high school juniors and seniors can get a head start by earning college credit for FREE through the City Colleges of Chicago Dual Credit or Dual Enrollment Program.

Join us at Malcolm X College for a mandatory information session. At this session, you will:

- Meet your Early College Representative
- Get to know the Dual Enrollment process
- Register for your next course (upon completion of application requirements)
- Learn more about MXC Health Science programs

2019 MXC Early College Dual Enrollment Information Session Dates:

- August 8, 2019 @ 3:30pm; room 1103
- August 13, 2019 @ 3:30pm; room 1103
- August 15, 2019 @ 3:30pm; room 1103
- August 20, 2019 @ 3:30pm; room 1103

Please NOTE: ALL New and Existing Dual Enrollment students must register for classes with the Early College Specialist – attend a session to learn more!
