**Pathway: Social Science Transfer to Governors State University**

Visit your Academic Advisor, CCC.edu or your College’s Transfer Center for more information

Catalog 2014-2015

Degree Codes: AA 0210

This is a **RECOMMENDED** course sequence for students interested in pursuing **Social Science at Governors State**. If the pathway is followed as outlined the student will earn an Associate in Arts degree. One course will satisfy the Human Diversity (HD) requirement, and is labeled with an (HD) in the sequence below. This pathway partnership transfer plan is designed to help you prepare to transfer to **Governors State University** as a junior to complete a Bachelor’s degree in **Social Science**. Psychology is the scientific study of human and animal behavior and the biological and mental processes that underlie behavior. Freshmen and sophomores who plan to major in Psychology are encouraged to complete additional foundation courses in science and math beyond those required in the Illinois Transferable General Education Core Curriculum (IAI GECC) and to minimize the number of psychology courses taken. (iTransfer.org).

Only by talking to your designated college advisor will you be sure to make the right choices. Good luck and we cannot wait to see you at graduation!
