Catalog 2015-2016
Degree Codes: AAS 0239, BC 0403

This is a RECOMMENDED course sequence for students interested in pursuing a degree from University of Illinois at Chicago for the RN-BSN program. It does not represent a contract, nor does it guarantee course availability. If this pathway is followed as outlined, you will earn an Associate in Applied Science (AAS) degree. One course will satisfy the Human Diversity (HD) requirement, and is labeled with an (HD) in the sequence below.

The University of Illinois at Chicago (UIC), in collaboration with the City Colleges of Chicago (CCC), offers pre-admission advising to students interested in UIC’s RN-BSN Online Degree Completion program. UIC offers provisional admission to qualified students which guarantees them a spot in the program once prerequisite and admission requirements are satisfied (see pp 3-4). You will receive 33 hours of proficiency credit in recognition for having a current RN license.

**MINIMUM TOTAL AAS CREDIT HOURS: 69**  
**WRITTEN PATHWAY CREDIT RANGE: 69**

1. Completes Basic Certificate  
2. Indicates a course that meets the prerequisite courses needed for admission to the UIC RN-BSN program

Before you begin the RN-BSN program at UIC, you will need to complete 57 hours of general education requirements (pre-requisite courses). You will earn most of these hours at your community college through your ADN program. However one of the requirements is an “upper division” course (a 300/400 level course), which must be completed at a four-year institution. The upper division course does not need to be completed prior to being admitted to UIC, but it must be completed before you graduate from UIC’s RN-BSN program.

**ADMISSION REQUIREMENTS**

- An Associate in Applied Science Nursing Degree  
- A current RN license issued in the U.S.  
- A cumulative non-nursing GPA of 2.75 and no less than a “C” in all required coursework  
- Completion of all General Education requirements (see pp 3-4 for pre-requisite course list)
