You will have the choice to purchase new, used, Marketplace, and eBooks, or to rent your books.

- ✓ For new, used, and rental books, if your order totals \$49 or more, you will not be charged for economy shipping. If your order of new, used, and rental books is less than \$49, your shipping charges will be calculated in your shopping cart.
- ✓ If you order your books from the marketplace, the shipping rate is set by the seller. Please note Marketplace books also have a different return policy.
- ✓ There is no shipping charge for eBooks. The cost of the eBook is not counted towards your \$49 minimum purchase for free economy shipping.
- ✓ If you wish to rent a book, you must provide a credit card number at check out. Although you may use your financial aid book voucher to pay for the rental fee, TextbookX will retain your credit card information in case you do not return the book.

Once you select your purchasing option, click the blue "Add to Cart" button.

5. Once you have made your selection for each book, it will show as added to your cart.

When you have selected all of your books, click on the cart icon and “Checkout Now” button at the top right of your screen.

6. After you navigate to your “Shopping Cart,” re-review all of the items you are purchasing. Be sure to review the quantity of each item to ensure that you are not ordering duplicates.

If your order qualifies for free economy shipping, this information will be posted near the bottom of the page. If your order does not qualify for free economy shipping, there will be a note as to how much you must add to your order to receive free economy shipping.

Once you have confirmed that your order is correct, click on the blue “TextbookX Checkout” button.

7. The "Shipping Address" will pre-populate to the mailing address you have on file with the Registrar's Office. You can update this address if needed. Please be sure that the address you provide can receive packages. If you would like to ship your books directly to your college, please choose the correct college name from the dropdown list.
