Message from KKC’s Continuing Ed. Dept.

On behalf of the faculty and staff of the Continuing Education Department of Kennedy-King College, we would like to welcome you to a new and exciting semester. The Continuing Education Department continues to offer programs and courses that directly benefit you and the community. This is the time to take that bold step and pursue your academic dream by enrolling in career programs such as Basic Nursing Certificate, Computerized Medical Billing and Coding, or improve your skills by taking Building Maintenance or computer courses.

For more information about programs and courses, email us at kkc-ContinuingEducation@ccc.edu or call 773-451-2149 or 773-602-5043.

---

Have any questions about these exciting career, personal, interest and skill courses and programs
Call us at 773-451-2149 / 773-602-5043.
Kennedy-King College is accredited by:
The Higher Learning Commission of the North Central Association of Colleges and Schools

Registration

Continuing Education has an open registration policy. Individual may register for a course ANYTIME prior to the first day of class. PLEASE NOTE: classes without sufficient enrollment will be canceled two days prior to the start of the class, so REGISTER EARLY! Register in person by visiting our registration office located at 6343 S. Halsted, Room W110. Registration by mail is accepted for most courses. Complete the registration card and remit it with a check or money order. Telephone registration is only accepted for free classes. Proof of residency is required.

Payment

All tuition and/or fees are due and payable at the time of registration. Payments may be made via cash, check, money order, VISA or MasterCard. Personal checks should be made payable to Kennedy-King College. Please put your driver’s license or State of Illinois I.D. card number and phone number on the front of your check or money order.

Warning: The fee assessed for a returned check due to nonsufficient funds (NSF) or a stop payment is $40.00. All returned checks will be noted on the student’s account with City Colleges of Chicago. It is your responsibility to check your receipt for accuracy of courses, tuition and fee charges.

Refunds & Withdrawals

A full refund of all tuition and fees will be sent to the student if the College cancels a class. Credit cards will be credited. Please allow four to six weeks for processing. A student who withdraws from one or more courses must do so in person or in writing to the Division of Continuing Education. NO REFUNDS WILL BE GIVEN FOR WITHDRAWALS AFTER THE FIRST CLASS MEETING. This policy will be strictly enforced. The $30.00 registration fee is non-refundable.

Class Cancellations

If a class is cancelled, the student can request that tuition be credited to another course for the same session. Classes that do not meet minimum enrollment requirements will be cancelled. The Continuing Education Department reserves the right to schedule or cancel courses based on program demands, facility capacity, and/or other departmental considerations. You will be notified of class cancellations by telephone and email.

Find the electronic copy of all City Colleges of Chicago Spring 2014 schedules online at www.ccc.edu
COMPUTER LITERACY I AND II
This computer sequence is a “hands on” introduction to personal computing, hardware, operating systems, general business software, and a glimpse of the Internet. Enrollment is limited. This course is taught in two (2) course sequence. Textbook is required and must be purchased separately.
9:30 AM - 11:30 PM on Saturdays
63776 - Feb. 1 - March 15
9:30 AM - 11:30 PM on Saturdays
63782 - March 29 - May 17
Instructor: Frank Morrison
Course Tuition: $50

COMPUTER LITERACY III and IV
This is a continuation of Computer Literacy I & II. Students will learn mail merges with a glimpse of Windows. Certificate issued after completion of Computer Literacy I-IV. Required text purchased in class.
11:45 AM - 1:45 PM on Saturdays
63807 - Feb. 1 - March 15
63809 - March 29 - May 17
Instructor: Frank Morrison
Course Tuition: $50

MICROSOFT EXCEL 2010 (Classroom)
This course, Excel for Windows, is designed for busy people who need to be accomplished PC users, but who don’t have a lot of time. This is for people who need to upgrade or convert to Excel, who have marginal PC skills and want to improve them, and is perfect for novices.
6:00 - 7:30 PM on Wednesdays
64086 - Jan. 29 - March 12
64089 - March 26 - May 14
Instructor: TBD
Course Tuition: $89

SUBSTANCE ABUSE COUNSELING
This class equips the student with the tools and knowledge needed to provide appropriate assessment and treatment for all levels of substance abuse, and to support clients in short or long term treatment. The lecturer will provide the student with an understanding of the addiction process, and how to counsel clients with this problem. This is one of a series of classes that will assist the student in preparation to pass the IAODAPCA certification examination.
Saturdays, 1:00 PM - 4:00PM
64138 - Feb. 1 - March 15
64147 - March 29 - May 7
Instructor: Roland Grant
Course Tuition: $125

BUILDING MAINTENANCE FOR HOME OWNERS
If you are planning your own home repairs, investing in real estate, or focusing on a career in the home remodeling business or maintenance, this class is for you. Students receive hands-on-instruction in basic carpentry maintenance, plumbing maintenance, electrical maintenance or flooring.
9:00 AM - 2:00 PM on Saturdays
64159 - Feb. 1 - March 15
64163 - March 29 - May 17
Instructor: Curtis Moore
Course Tuition: $400

IMPROVING YOUR MATH
A great review! This course is designed to develop clearer solutions to math problems encountered in testing situations and at the workplace. It covers operating on decimals, fractions, percentages, and proportions. Those preparing for college entrance exams are encouraged to attend.
6:00 - 7:55 PM on Wednesdays
64196 - Jan. 29 - March 12
64198 - March 26 - May 14
Instructor: TBD
Course Tuition: $89
Registration Fee: $30

IMPROVING YOUR READING
Reading skills will be enhanced through application of skill building techniques. This course is designed to improve vocabulary, comprehension, and retention.
11:00 - 12:55 PM on Saturdays
64199 - Feb. 1 - March 15
64204 - March 29 - May 17
Instructor: TBD
Course Tuition: $89
Registration Fee: $30

AQUA AEROBICS
What better form of exercise can there be? Swimming and aerobics combined will get anyone into tiptop shape with low-impact on joints and bones. This class is perfect for all fitness levels.
10:00 AM - 11:00 AM on Mon/Wed
64422- Jan. 27 - March 12
64432 - March 24 - May 14
Instructor: Rudolph Henry
Course Tuition: $64
BASIC NURSE ASSISTANT (BNA) Certificate Program
Total Program Cost: $1,283
Days: 9AM—3:30PM
Tues, Wed, Thurs, Jan. 14-March 6
Class Nbrs. 63453, 63467, 63492
Tues, Wed, Thurs, March 18-May 8
Class Nbrs. 63499, 63506, 63513
Evenings: 4 PM—9:30 PM
Mon- Thurs, March 3-April 24
Class Nbrs.: 63579, 63586, 36596
This cost includes tuition, books, and uniforms. Chicago residents meeting certain income and other requirements may be eligible for special financial assistance through the WIA Program. See page 3 for details.

PHARMACY TECHNICIAN
This 16 week certificate program train students to provide technical and clerical support to pharmacists in hospitals, clinics, or retail pharmacies. The pharmacy technician training includes medical terminology, reading and interpretation of prescriptions, inventory management and control, drug compounding, dosage calculations and dose conversions. Course content also includes the dispensing of prescriptions, billing and reimbursement. Program completers are prepared to become nationally Certified Pharmacy Technicians (CPhT)
Saturdays 9:00 AM-4:10 PM
62828 - Jan. 25 - March 15

MEDICAL TERMINOLOGY FOR HEALTHCARE PROFESSIONALS
Medical Terminology is the universal communication language of the healthcare profession. Terminology for common pathologies (diseases) and diagnostic tests is also covered. Medical terminology is used in healthcare in direct patient care and in support services such as coding and medical billing. This course focuses on proper pronunciation, usage and spelling of medical terms.
9:00 AM-10:30 AM on Saturdays
62814-February 1-March 15
62818-March 29-May 17
Course Tuition: $105

PHLEBOTOMY TECHNICIAN
Phlebotomists obtain blood specimens from clients for the purpose of laboratory analysis. This certificate program teaches students the comprehensive skills needed to be able to perform vein puncture competently and safely. Lecture will include Medical Terminology, Anatomy & Physiology, blood collection procedures, communication skills and professionalism. Students will have hands on laboratory practice sessions as well as clinical training to acquire the skills necessary to perform the required puncture methods. Student must take an Entrance Exam. This course consists of 90 classroom hours and 70 clinical hours.
Mon. & Fri. 4:30-9:30PM
68126 - Jan. 27- May 16
Tuition: $1,358
Class Nbr. - 68126

FOOD SERVICE SANITATION
This class will give you instruction on the proper preparation of food for those wanting to become licensed by the city of Chicago and state of Illinois.
9:00 AM-12:00 noon
66794 -Tuesdays, Jan. 21- Feb. 4
66796 -Tuesdays, Feb. 11- Feb. 25
66798 -Tuesdays, March 25 - April 8
66800-Tuesdays, April 15 - April 29
66801-Tuesdays, April 29 - May 13
Course Tuition: $200

FOOD SERVICE SANITATION RECERTIFICATION
At the time of registration, please bring a photo id and a copy of your License.
8:30 AM-4:30 PM
66824 - Wednesday, Jan. 29th
66828 - Wednesday, Feb. 5th
66831- Wednesday, March 27th
66835 - Wednesday, April 9th
66840 - Wednesday, May 7th
Tuition: $65

Important Information:
You must be on time and stay for the entire session. City licenses are issued by the Chicago Department of Public Health.
The college reserves the right to cancel any class in which enrollment is insufficient
No refund will be issue for missed seminar or tardiness

NOTE:
You MUST bring a copy of your license, and state ID when coming to register for the recertification program

Questions Call us at 773-602-5043 ● E-mail us at KKC-ContinuingEducation@ccc.edu
PERSONAL INTEREST
BEGINNER’S SWIMMING (ADULTS)
It’s never too late! Have you been putting off learning how to swim? Do you have your vacation cruise selected and you don’t want to be a “pool flower”? Have you tried learning to swim before and just never “got” it? If so, this course is for you.
5:00 - 7:00 PM on Tuesdays
64449 - Jan. 28 - March 11
64456 - March 25 - May 13
Instructor: Rudolph Henry
Course Tuition: $64

EARLY BIRD SWIM
If you like to get up, get out, and exercise, the Early Bird Swim is for you!
7:00 - 8:30 AM
64485 - Mon.- Fri. Jan. 27 - March 14
64496 - Mon. - Fri. March 24- May 16
Instructor: Rudolph Henry
Course Tuition: $64

LIFEGUARD TRAINING (AMERICAN RED CROSS)
If you’re looking for employment as a professional lifeguard, Red Cross Life Guard Training is the best way to be prepared to respond to aquatic emergencies. Successful completion of the course requirements will qualify you for the Lifeguard Training certificate from the American Red Cross.
Additional fees for textbook ($35) and face mask ($15).
6:00 – 9:00 PM on Wednesdays
64547 - Jan. 29 - March 12
64559 – March 25 - May 14
Instructor:
Course Tuition: $190

PADI SCUBA CERTIFICATION
Did you know that Kennedy-King College is one of only two PADI-certified diving schools in the city of Chicago? Become a Scuba Diver and transform yourself. Explore and connect with nature and the underwater world from historic shipwrecks and pristine reefs to the mysteries of your local quarry. When becoming a PADI Open Water Diver, you enjoy three simple phases:

1. Knowledge Development: You learn how pressure affects your body, how to choose the best gear and what to consider when planning dives.

2. Confined Water/Pool Dives: You develop basic scuba skills in a pool or in a body of water with pool-like conditions. Here, you learn everything from setting up your gear and how to easily get water out of your mask without surfacing.

3. Open Water Dives: You continue learning during four open water dives with your PADI instructor in a typical dive environment at the beginner level.

When you learn to dive with PADI, you enjoy the highest standards for dive training, safety and customer service.

10:30 am - 2:30PM on Saturdays
64568- Feb. 1 - March 15
64576 - March 27 - May 7
Instructor:
Course Tuition: $280
(includes equipment)

BOY SCOUTS OF AMERICA: SCUBA MERIT BADGE
Kennedy-King College is proud to serve as a site where scouts can earn their Scuba Merit Badges! Achievement of the Scuba Merit Badge will result in a PADI Open Water Diver Certification. This is a lifetime certification that is only the first step into an endless world of new experiences, adventures and fun. After completing the certification boys will have the ability to go scuba diving in a variety of different environments and continue their education to further enhance their skill sets.

Call us to make scheduling arrangements.

YOUTH SWIM (Youth Ages 5+)
5:00 - 6:15 PM on Thursdays
38270 - Aug 29-Oct 10
38271 - Oct.30-Dec.12
Instructor: Rudolph Henry
Course Tuition: $50
Creative Writing
Saturdays
10:00 AM -11:00 AM
This creative writing class attempts to reach the creative soul that lives in you and squeeze it all out through short stories and poems. The sessions will always allow you the chance to spontaneously create from the head and the heart, the places where our creative souls reside. You will live through your words, laugh as you create, and love the moments when you and the page are one.
Tuition: $30
WORLD LANGUAGES

CONVERSATIONAL SPANISH
*Classroom-Based Course*

This course is ideal for the person who wants to brush up or learn the fundamentals of the Spanish language which are useful in travel, business, or pleasure.

10:00 - 11:30 AM on Saturdays
64649 - Feb. 1 - March 15
64655 - March 29 - May 17
Tuition: $89

Command Spanish®, Inc. is the country's leading provider of occupational Spanish language training materials and programs for the workplace. Its programs and materials are the result of years of research and development by language, curriculum, and translation specialists. The company’s objective is to provide learner-friendly language programs and training classes that require NO PRIOR KNOWLEDGE OF SPANISH. Command Spanish® language classes eliminate the tedious grammar instruction found in most other language programs.

Command Spanish®, Inc. awards CEUs to all participants who successfully complete this program. Command Spanish®, Inc. has been reviewed and approved as an Authorized Provider by the International Association for Continuing Education and Training (IACET).

SPANISH FOR CONSTRUCTION SUPERVISORS (32 Hours)

Construction supervisors know how critical it is to be able to tell their workers exactly what they expect of them on the job. This is also true of their Spanish-speaking workers. If there is miscommunication, it can cost time and money. If you are a construction supervisor who has hard working Spanish-speaking workers on your construction crews, but who don’t understand what you want them to do, then you need our online program, Spanish for Construction Supervisors, in order to help you better communicate your expectations and maintain a safe work environment.

SPANISH FOR HOSPITAL NURSES (32 Hours)
GRAPHIC ART FOR SENIORS

This course will introduce students to several Adobe software graphic art programs (Photoshop, Illustrator, InDesign and more). Students will learn how to use and access their expansive set of features. Lessons will cover the basics of creating, editing, saving and storing files. By the completion of this course students will have a working knowledge of the Adobe programs covered.

9:00 am – 12 PM on Saturdays
64977 – Jan. 25-March 15
64984 – March 29- May 17
Instructor: TBA
Course Tuition: $50

Visit www.ccc.edu for all City Colleges of Chicago Spring 2014 Schedules
Upcoming Seminars

**MONEY MATTERS:** Money matters. This 2-hour workshop teaches participants how to manage money by preparing a personal spending plan and identifying ways to decrease spending and increase income. To achieve this objective, the participants will be able to: track daily spending habits, prepare a personal spending plan or budget to estimate monthly income and expenses, identify ways to decrease spending and possible ways to increase income, identify budgeting tools that will help you manage your bills, list and prioritize financial goals, and recognize how to create a plan to achieve financial goals.

**LOAN TO OWN:** Participants will understand the characteristics of consumer installment loans. To achieve this objective, the participants will be able to: Identify various types of installment loans and the factors lenders use to make home loan decisions, explain federal laws that protect you when applying for a loan, identify the questions to ask when purchasing a car, explain why installment loans cost less than rent-to-own services, explain why it is important to be wary of rent-to-own, payday loan, and refund anticipation services and how to guard against predatory lending practices.

**CHARGE IT RIGHT:** Participants attending this workshop will understand how to use a credit card responsibly and what to do when a credit card is lost or stolen. To achieve this objective, the participants will be able to: Define credit, explain why credit is important, describe the purpose of credit cards, determine if you are ready to apply for a credit card, determine which credit card is best suited for you, identify the factors creditors look for when making credit decisions, describe how to use a credit card responsibly, identify the steps to take when a credit card is lost or stolen.
