CLASS SCHEDULE
SPRING 2014

Register Today
SPRING I starts January 6
SPRING II starts March 4
WELCOME!

Each season we bubble with excitement as instructors are hired and new classes designed. Now’s the time to take a new class!

We hope you will take time from your busy schedule to consider the new classes we are offering. Each of them provides an opportunity for learning and fun—perhaps even the pathway to a new career!

We are committed to offering what you request. If you have an idea for a class that you don’t see offered in this schedule, please feel free to call us at 773-481-8800 and we will consider your suggestion.

Wright College
Continuing Education Dept.
Room A139
773/481-8800

A note about tuition payments . . .

You are responsible for all tuition and fees for the class(es) you register for unless you officially withdraw before classes begin. If payment is not received, you will not be automatically dropped and you will be responsible for the tuition.

DON’T LET A GREAT CLASS GET CANCELLED!
Sometimes we are forced to cancel classes due to low enrollment before the scheduled class day. The best way to help avoid this is to register early and not wait until the last minute to sign up. Classes are cancelled the week before start date so please try to get you or your child registered as early as possible to guarantee the class will run and you will have a space reserved!

Earning A+ certification means that the individual possesses the knowledge, skills, and customer relations experience essential for a successful entry-level (6 months experience) computer service technician, as defined by industry experts.

As a CompTIA Certified A+ IT Technician, you will be able to:
- Analyze computer problems to determine whether they are hardware or software related.
- Design, monitor and control a company’s computer maintenance system.
- Provide recommendations on compatible replacement hardware and software additions.
- Avoid unnecessary downtime and eliminate a company’s expensive contract repairs by providing immediate in-house action.

What are some benefits of A+ certification?
- You will earn an IT industry-recognized credential;
- You will have a solid skill-set foundation for successful entry into future high-level IT training programs.

Most employers require that I have experience, how will I gain the experience?
Wright offers 35 hours of unpaid internship. Applicants must be City College’s A+ graduates and meet all prerequisites. The internship can be designed where if students are employed they do not have to quit their current employment while gaining experience in their new career.

To participate in the A+ Certified Computer Technician program, please send resume and transcript to kjohnson@ccc.edu.

NOT JUST OZZIE & HARRIET: PARANOIA IN THE 50's
They're here already! You're next! You're next! You're next...!
Invasion of the Body Snatchers (1956)

With the social turbulence and upheaval of the '60s, the '50s are fondly remembered as a time of peace, prosperity, nuclear families and tranquil suburbs. But there was another side: the Korean War, the Cold War, the Red Menace, McCarthyism, nuclear bombs, atomic fallout, juvenile delinquency and oppressive conformity. The movies recorded the underlying public fears and neuroses that permeated American society in the 50's. From Horror movies to JD films, we will watch six-feature-length movies (and clips from others) and discuss how Paranoia made its way from everyday life into movies theaters. 6 sessions. $59

Film Discussion Series:
Panic in the Streets (1950)
The Thing from Another World (1951)
I Was a Communist for the F.B.I (1951)
Five (1951)
Invasion of the Body Snatchers (1956)
The Violent Years (1956)
Crime in the Streets (1956)
The Incredible Shrinking Man (1957)
Attack of the Foot Woman (1958)
The Blob (1958)
I Married a Monster From Outer Space (1958)

DON’T LET A GREAT CLASS GET CANCELLED!

Sometimes we are forced to cancel classes due to low enrollment before the scheduled class day. The best way to help avoid this is to register early and not wait until the last minute to sign up. Classes are cancelled the week before start date so please try to get your child registered as early as possible to guarantee the class will run and you will have a space reserved!

Only registered students are permitted to attend class. We are not able to accommodate visitors.

ALSO NOTE:
No walk-in registration is available on Saturdays; only on-line registration for returning students is available on Saturday.
