WHAT IS A LEARNING COMMUNITY?
• A learning community (LC) consists of linked classes with interested students taught by great professors.
• Students take at least two courses with the same group of students.
• Instructors create integrated assignments that help students learn and succeed in both courses.

WHAT IS BLOCK SCHEDULING?
• A block schedule consists of linked classes that are relevant to students’ academic and scheduling needs.
• Students take two to four courses with the same group of students, which makes it easier for students to form study groups and support each other in college completion.
• Block schedules are organized to support a student in completing his/her Associates degree within two to three years.

WHY SHOULD I ENROLL IN A BLOCK SCHEDULE OR LEARNING COMMUNITY THIS SEMESTER?
• Meet other college students, build friendships, and study with great instructors.
• Connect what you learn and do in one class to what you learn and do in other classes.
• ‘Spend less time worrying about what you’ll take next semester and more time studying, learning, and getting involved in college life.

I’M INTERESTED! HOW DO I ENROLL IN A LEARNING COMMUNITY OR BLOCK SCHEDULE?
1. Check the following list for Math, English, and other courses you are eligible for this semester
2. Pick a Fall 2014 LC or block that is right for you
3. Visit an advisor in Rm. 101 to register and ask questions
