City Colleges strives to ensure student success by preparing students to transfer to a four-year university or start careers in fast-growing fields.

COLLEGE TO CAREERS FOCUS:

Advanced Manufacturing
General Information About Degree Programs

All seven colleges offer general education courses in addition to a College to Careers focus to position you for a career in an in-demand industry. City Colleges partners with leading companies and universities to ensure programs reflect workforce demands and to offer real-world learning opportunities, internships, and a first pass at job opportunities. By starting at City Colleges and then transferring to a bachelor’s degree program, you can save up to $40,000.

Cities Colleges of Chicago is an open enrollment institution and students are accepted year-round. The first step in enrollment is completing an online application at www.ccc.edu/apply.

RESOURCES FOR SUCCESS
Supporting you from your first day to graduation day

Advising
Dedicated advisors help you chart your educational course to align with your professional and academic goals.

Faculty Commitment
Our faculty are teachers and mentors who are dedicated to helping you succeed academically and personally.

Career & Transfer Centers
Students and alumni have access to a broad range of services that make launching a career a reality, as well as support to transfer to bachelor's degree programs. Explore career options via our CareerFinder tool, and find the career that best suits your interests by taking a Focus 2 career assessment—both available online at ccc.edu.

Scholarships & Financial Aid
Financial aid officers work with you to help you understand your college costs and financial resources, including scholarship opportunities.

Tutoring
Professional and peer-to-peer tutoring and mentoring services are available in all disciplines.

Veterans Resource Center
Veterans services specialists assist student veterans with class registration, degree planning, and personalized assistance with VA benefits.

Wellness Center
Wellness Centers provide personal and practical assistance to support and enrich your personal life, so you can focus on your academic success. All services are free and confidential.

For more information about our graduation rates, the median debt of students who completed the program, and other important information, please use our ProgramFinder at www.ccc.edu/programs to find the program of interest and click on the link for Gainful Employment Disclosures.

City Colleges of Chicago does not discriminate on the basis of race, color, national origin, gender, age or disability in all educational and vocational programs, services, activities, and employment.
College to Careers at Richard J. Daley College

Offers general education courses and a College to Careers focus in:

Advanced Manufacturing Technology

City Colleges partners with leading companies to ensure graduates are ready for the 14,000 advanced manufacturing jobs coming to the Chicago region over the next decade. The four focus areas are:

- CNC Machining: Using computer-driven tools to sculpt products from metal, plastic and wood
- Welding: Metal and equipment fabrication
- Factory Automation: Preventative maintenance, trouble-shooting, and repairs to manufacturing equipment
- Process Technology: Making products from raw materials such as refining gasoline, baking bread, or generating electricity.

Get the Skills. Get the Job.

Complete a certificate in Factory Automation in two semesters to prepare for jobs in Industrial Maintenance.

Attend Daley College and You Will:

→ Build the skills that manufacturing companies seek in successful hires.
→ Receive hands-on training using state-of-the-art equipment.
→ Learn modern methods of organizing production, including teamwork and “lean manufacturing” to become a shop floor leader.
→ Connect with hundreds of employers looking to hire through our Career Network.

In addition to their College to Careers Focus, all colleges offer general education courses.
