General Information About Degree Programs

All seven colleges offer general education courses in addition to a College to Careers focus to position you for a career in an in-demand industry. City Colleges partners with leading companies and universities to ensure programs reflect workforce demands and to offer real-world learning opportunities, internships, and a first pass at job opportunities. By starting at City Colleges and then transferring to a bachelor’s degree program, you can save up to $40,000.

Resources for Success

Advising
Dedicated advisors help you chart your educational course to align with your professional and academic goals.

Faculty Commitment
Our faculty are teachers and mentors who are dedicated to helping you succeed academically and personally.

Career & Transfer Centers
Students and alumni have access to a broad range of services that make launching a career a reality, as well as support to transfer to bachelor's degree programs. Explore career options via our CareerFinder tool, and find the career that best suits your interests by taking a Focus 2 career assessment—both available online at ccc.edu.

Scholarships & Financial Aid
Financial aid officers work with you to help you understand your college costs and financial resources, including scholarship opportunities.

Tutoring
Professional and peer-to-peer tutoring and mentoring services are available in all disciplines.

Veterans Resource Center
Veterans services specialists assist student veterans with class registration, degree planning, and personalized assistance with VA benefits.

Wellness Center
Wellness Centers provide personal and practical assistance to support and enrich your personal life, so you can focus on your academic success. All services are free and confidential.

For more information about our graduation rates, the median debt of students who completed the program, and other important information, please use our ProgramFinder at www.ccc.edu/programs to find the program of interest and click on the link for Gainful Employment Disclosures.

City Colleges of Chicago does not discriminate on the basis of race, color, national origin, gender, age or disability in all educational and vocational programs, services, activities, and employment.
COLLEGE TO CAREERS AT
MALCOLM X COLLEGE
Offers general education courses and a College to Careers focus in:
HEALTHCARE

City Colleges partners with local hospitals, healthcare providers, pharmacies and other healthcare organizations to ensure graduates are ready for the 84,000 healthcare jobs coming to the Chicago region over the next decade.

GET THE SKILLS. GET THE JOB.
Complete an associate degree in nursing and qualify for positions as a Registered Nurse.

ATTEND MALCOLM X COLLEGE AND YOU WILL:
→ Take classes in the state-of-the-art School of Health Sciences, which features a “virtual hospital” that mimics real-world healthcare facilities.
→ Learn from instructors with professional experience in their fields.
→ Connect with hundreds of employers looking to hire through our Career Network.
→ Prepare to transfer to a four-year university, saving up to $40,000 on the cost of a bachelor’s degree.
