Notes:
1. College Credit Academic Calendar is subject to change. Please contact the college for more details.
2. Sessions and course offerings: not all courses are offered each session, nor are all sessions offered at each college. Please contact the college for details.
3. Continuing Students: continuing students are strongly encouraged to complete the registration process as early as possible to ensure the best course and schedule availability. Please see your College Advisor prior to registering to discuss your career and education goals, academic program, graduation requirements and your progress toward graduation, course selection, and, if applicable, transfer.
4. New Students: all new students are strongly encouraged to complete the registration process as early as possible, preferably prior to end of Summer for fall entering students. The registration process for new students includes placement testing, college orientation, financial aid processing, career advising and academic program selection, and initial course selection. Please see the Admissions Office to begin.
5. Financial aid: students are strongly urged to apply for financial aid (www.fafsa.gov) as early as possible (preferably by March 1st) for the academic year beginning in the fall. Please contact the financial aid office for details.

General registration ends February 1 for Credit students only. Registration remains open until February 9 for 12 Week Session students, and until March 9 for 8 Week Session for adult education and short-term students.

Register online @ my.ccc.edu

Priority Registration.

Register for classes at an earlier date, based on the number of credits you’ve accumulated.

- **Nov 3** | 45 or more credits
- **Nov 5-6** | 30 or more credits
- **Nov 7** | 12 or more credits

Wait List.

Need to get into a class that’s already full? Add yourself to a waitlist for the course and be automatically registered when a seat becomes available.

Log in to my.ccc.edu to check your academic progress and see if you need to clear any holds before registering.

For information about programs, classes and for registration at any of the city colleges, please call 773-COLLEGE or go to www.ccc.edu
KNOW WHAT YOU WANT
What are your career and life goals?

A degree or certificate from City Colleges of Chicago is your ticket to a rewarding career, either right after graduation, or after a successful transfer to a four-year university. We have the resources to get you there, but you have to make some choices about your path.

MAKE AN INFORMED CHOICE
What do you want to study? Choose one of our ten College to Careers focus areas to help you narrow down from the 100+ degree and certificate programs we offer. If you’re having trouble making a decision, your college advisor can help talk it through with you, and provide you access to software and other tools for career and education exploration.

   Choose a Focus Area: Choose from ten broad categories of CCC offerings (e.g., Healthcare, Education) – consult with an advisor
   Get on a Pathway: Learn about common first-year courses in a focus area, career options, and degree and certificate plans available

COMMIT TO COMPLETE
Once you know what focus area interests you, figure out what you want to study in particular. For example, if you like information technology, do you if you want to go into Web Development or into Networking? Different courses are required depending on which pathway you choose, so if you haven’t already, meet with your college advisor to come up with an education plan that lists the exact courses you need in order to follow your own personal path to graduation, a bachelor’s degree and a career.

   Complete an Education Plan: Work with your advisor to create your personalized plan to reach your goal

---

Set an appointment with your College Advisor!
Your College Advisor is your biggest ally in choosing your path at City Colleges. It is important that you meet with them frequently. Use the program GradesFirst to set an appointment.

1. Go to ccc.gradesfirst.com and log in with your CCC username and password.
2. Click on the Calendar tab, and then on “Get Advising” on the right side of the page.
3. Your advisor’s calendar will pop up; choose an appointment date and time.
All tuition, fees and charges are payable at registration. Payment may be made by cash, money order, check, Visa, Master Card, American Express, or financial aid deferment for those students eligible for financial aid.

**Registration Charge**

|$30.00|

The above charge is non-refundable and applies to all students including senior citizens, public aid recipients, and City Colleges of Chicago full-time employees.

**Tuition Per Credit Hour**

- **Chicago residents** $89.00
- **Illinois residents outside Chicago** $200.17
- **Out-of-state and International students** $246.42

**Foundational Studies Courses**

- **Chicago residents** $44.50

**Student Activity Fee**

*Activity Fee is not refundable after the first day of classes.*

- **SPRING Full time (12 or more credit hours)** $170.00
- **SPRING Part-time (fewer than 12 credit hours)** $50.00

**Miscellaneous Fees and Charges**

- **Center for Distance Learning (CDL)**
  - Materials fees $50.00
  - I-20 processing fee $100.00
  (Paid first semester I-20 is issued; non-refundable)

**LAKEVIEW LEARNING CENTER**

(Harry S Truman Satellite Campus) (773) 907-4400

3310 N. Clark St.

Chicago, IL 60657

Harry S Truman College is one of the largest of the City Colleges of Chicago, with a yearly enrollment of more than 23,000 students, and has the largest English as a Second Language and GED program in Illinois with more than 12,000 students annually.
Calling all active listeners, idealists, caregivers, mediators, those who are happiest when they are helping someone else, those who feel most fulfilled when they are improving the lives of those around them, this is the focus area for you. The education sector covers all aspects of teaching, beginning from the very youngest students, reaching across subjects like mathematics, science and languages. Do you remember your favorite teacher? The one you inspired to dream big and then supported you to pursue those dreams? If you have the desire to inspire others, you should definitely consider the field of Education.

Students in Education may take classes like the following:

**English 101**
Composition I
May require taking English readiness courses

**Mathematics 118 OR 125**
General Education Mathematics OR Introduction to Statistics
College level mathematics eligibility required

**Education 101**
Introduction to Education

**Psychology 201**
General Psychology

* D = DEGREE // AC = ADVANCED CERTIFICATE // BC = BASIC CERTIFICATE*
HUMAN SCIENCES (LIBERAL ARTS)

Don't let the word “arts” fool you! While the phrase “Liberal Arts” may at first conjure up images of painters or musicians, it is really an umbrella term used by universities to encompass all disciplines of the Social Sciences and Humanities. Studies of human behavior, history, politics, culture, language, literature, and, yes, fine and performing arts, are all subsumed by this category. It is important to note that most students of the liberal arts will need to earn at least a bachelor’s degree in their field of study, which, at the two year level, means completing our Associate in Arts transfer degree. So, whether you can picture yourself as a psychologist, a lawyer, a graphic designer, or a journalist, if you plan on transferring to a four-year school to study anything other than science, mathematics, or technology, this is the focus area for you.

DEGREE AND CERTIFICATE PATHWAYS OFFERED

This is an abbreviated list. Check with your advisor to learn more about your options in Human Sciences (Liberal Arts). Students may also consider a Human Sciences (Liberal Arts) pathway in areas such as anthropology, gender and women’s studies, history, social work, and sociology.

| Art Education | • | • | • | Music Performance | • | • | • |
| Art Studio | • | • | • | Music Technology | • | • | • |

Students in these programs may take classes like the following:

- English 101: Composition I
- Speech 101: Introduction to Speech
- Psychology 201: General Psychology
- Mathematics 118 or above: General Education Mathematics

D = DEGREE // AC = ADVANCED CERTIFICATE // BC = BASIC CERTIFICATE
Since the time of the Ancient Greeks, people have been experimenting in attempt to define the laws that govern the biological and physical world. Thousands of years later, the field of science has reached frontiers that would boggle the minds of the very first scientists. Science is used to plumb the depths of the ocean, to peer into the smallest building blocks of the human body, to look outward millions of miles into the cosmos and to engineer complex mechanical structures. Some scientists call into question our very perception of time and space. The vast majority of careers in this field will require at least a Bachelor’s degree, so if you are interested in transferring to a four-year school to pursue a career in mathematics, science, or engineering, you should begin in Life and Physical Sciences.

## ONLINE Learning Courses

All City Colleges of Chicago online courses are now offered through Harold Washington College and available to any student attending any of the City Colleges including: Harold Washington, Harry S Truman, Kennedy-King, Malcolm X, Olive-Harvey, Richard J. Daley, and Wilbur Wright.

Any CCC student that is qualified for a course can register for an online class from any computer. If you are pursuing a waiver of any sort or have difficulty registering for an online class, please see an advisor on your campus. Please note that Harold Washington College does not have to be your home campus to register for an online course.
