Arrange Your Tuition Payments for Winter and Spring Classes

After you register, get ready for winter and spring classes by reviewing your tuition payment options. CCC accepts a variety of payment options, making it easy for you to fund your education.

Ways to Pay for Your Education

Pay in Full
You can pay your tuition in full with a credit card (American Express, MasterCard, or VISA) or checking account at my.ccc.edu.

Monthly Payment Plan
Our simple monthly plan lets you place a portion of your tuition as a down payment and pay the rest in installments. See the other side of this flyer or go to www.ccc.edu/PaymentPlan for more details.

Scholarships
Scholarships and grants offer free money to help you pay for college. CCC offers various scholarships and accepts others from private organizations. Learn more at www.ccc.edu/Scholarships.

Financial Aid
The Financial Aid Offices can help you secure grants, loans, and work-study opportunities from federal and state resources. Find details at www.ccc.edu/FinancialAid.
Choosing a Tuition Payment Plan Makes Financing Your Education That Much Easier

CCC offers an automatic tuition payment plan, giving you peace of mind and a flexible way to pay for college. Equal payments are automatically withdrawn from your account each month until your balance is paid in full. Even better: There’s no interest, so you only pay the cost of your tuition plus an enrollment fee.
