Registration and Tuition Information

DON'T BE DISAPPOINTED!

ENROLL EARLY!

Since many courses fill early, ensure a seat in the courses you want by registering as soon as possible. Also, some courses may be canceled if enrollment is low. **Registration ends three business days before class begins unless alternative arrangements are made.**

Tuition and Fees

Courses Numbered FAM MX, PER MX, and VOC MX

The tuition for these Special Interest courses are listed in the Course Schedule. There are no additional registration fees for these courses and no additional fees for out-of-district or out-of-state students.

Courses Numbered CE 014

The tuition for Continuing Education classes beginning with numbers CE014 is \$89 per hour plus an additional \$30 registration fee. Applicable lab fees will be applied as indicated in the course description.

Out-of-District Students

The tuition for out-of-district residents for classes beginning with CE014 is \$84.56 per hour plus \$89 per hour fee and the \$30 registration fee. This additional charge may be waived for persons who are employed full-time in the city.

Out-of-State Students

The tuition for out-of-state residents for classes beginning with CE014 is \$141.35 per hour plus the \$89 per hour fee and the \$30 registration fee.

Ed2Go

The tuition for the online Education 2 Go courses varies and is available on the Ed2Go Web site.

Transportation and Parking

Parking is FREE for all registered students and visitors. Students must register their vehicle with the security office to receive a parking permit.

MXC is also accessible via public transportation. The 126 Jackson and 50 Damen bus lines both have stops at MXC. Additionally, students and visitors can get off at the Blue Line – Medical Center stop and walk across the street.

Acceptable Forms of Payment

All forms of payment are accepted at Main Campus, including cash, money orders, personal checks, Visa or MasterCard.

Cancellations

You will receive a full refund if the college cancels a course. **Please register early to prevent cancellations!** Courses with insufficient enrollment will be cancelled approximately three days before the course begins. We will contact you by phone if your class is cancelled.

Refunds and Withdrawals

Student-initiated Withdrawals

Refunds are issued to eligible students based on the official date of withdrawal. Students must officially inform the college that they are withdrawing from class by completing a withdrawal in room 2224. NOTE: You must officially withdraw from a class even if you do not attend.

- 100% refund for withdrawal before the first class meeting;
- 100% refund for cancelled classes;
- No refund after the first class meeting.

Testing Information

Students pursuing the Nursing Assistant program may need to take the reading comprehension placement test. Students will need to come into room 2224 to determine if they need to take the test. If a student needs to take the test, they will need a testing waiver (received in room 2224) and their State ID, drivers license, or another approved form of identification. Placement testing is conducted in room 1109 during the following hours:

Monday-Wednesday: 8:30 a.m. — 3:00 p.m.

Thursday: 8:30 a.m. – 5:00 p.m.

Friday: 8:30 a.m. – 2:00 p.m.

Careers in Health & Fitness

CE014 Course

Basic Nursing Assistant Program (B.N.A.)

This Basic Nursing Assistant program is an eight-week program (140 hours in the classroom). Basic principles and procedures of patient care are obtained through lecture and laboratory on campus and supervised clinical experiences at an offsite healthcare facility.

The program prepares students to give personal care to patients by helping them meet basic human needs. The nurse assistant works under the supervision of a registered nurse and/or licensed practical nurse.

B.N.A. is approved by the Illinois Department of Public Health for Nurse Assistant Certificate. Graduates of the program must successfully pass a state-approved competency exam to be eligible for employment in nursing homes and long-term care agencies.

Special Admission Requirements:

- Attain an acceptable score on the reading section of the COMPASS test;
- Speak and understand the English language;
- Attend an information session;
- Sign a disclosure and authorization approval form for a fingerprint and background check (additional fees apply);
- Have a valid Social Security card;
- Attend a mandatory orientation session held one week prior to the start of class (evening classes will have their orientation on the first day of class);
- Updated physical examination within a year.

Program Costs and Fees: (In-District fees)

- Tuition & Registration Fee: \$920*
 - State Criminal Background: \$28 (to Accurate Biometrics)
 - State Competency Fee: \$60 (to SIU)
- Total Program Cost*: \$1008

*Total does not include uniforms, book, or medical equipment.

The Basic Nursing Assistant program is a Workforce Investment Act (W.I.A.) approved program. For more information on W.I.A. go to page 4 for more information. It is not eligible for financial aid.

Class Schedule and Graduation Requirement

Day Classes:	Room	WSLC		
MT:	09/04—10/23		M/Tu	9:00 a.m.— 3:30 p.m.
Clinical:	09/06—10/25		Th	7:00 a.m.— 3:30 p.m.

Evening Classes:	Room	WSLC		
X:	09/04—10/25		M/Tu/Th	4:30 p.m.— 8:45 p.m.
Clinical:	09/08—10/20		Sa	7:00 a.m.— 3:30 p.m.

In order for you to graduate you must fulfill the following:

- Attend all classes and clinical rotations;
- Successfully complete all classroom and clinical components of the program;
- Pass all clinical procedures and final examination.

For more information or to register for the program please contact the B.N.A. Coordinator, Jackie Smith, at (312) 850-7348 or by email at jsmith01@ccc.edu.

Personal Fitness Trainer: Certification Prep

You will learn theoretical knowledge and practical skills to prepare for the American Council on Exercise national certification exam in personal training. Instructor **Roy Walker, III** will cover guidelines for instructing safe, effective, and purposeful exercises, conducting health and fitness assessments, and designing and implementing appropriate exercise programs.

***Call for class dates and times. \$309**

***Does not include the books, ACE Personal Trainer Manual, 3rd edition, and ACE Personal Trainer Master the Manual Workbook, which are available in the bookstore or online.

Intro to ICD—10 & Anatomy/Physiology Review

You will learn about the changes upcoming with the transition from ICD—9 to ICD—10 as well as a review of anatomy and physiology. This course is designed to assist the currently employed coder/biller develop the knowledge continue their success in the field.

***CEU approval pending.

***Call for class dates and times.

Computerized Medical Coding and Billing

With the increasing need of qualified billers and coders, we offer the courses necessary for you to be prepared for the Certified Coding Associate National Certification Exam. Medical Coders maintain patients' records using the universally recognized ICD-9 Index coding system. Medical billing is a coding specialty, but we recommend being licensed in both because the annual salary of a coder is, on average, approximately 30% higher than that of a biller. The following seven courses make up the entire certification program. All courses in the CMBD program adhere to the tuition for courses numbered CE 014.

Medical Terminology of Healthcare Professionals

Medical terminology is the universal language of the healthcare profession and is used in direct patient care and support services. Our instructor will focus on proper pronunciation, usage, and spelling of medical terms that are required for certification. Call for days and times.

Anatomy and Physiology

Our instructor will cover basic anatomy, physiology, pathology and most common diagnostic tests to build a foundation to your health career future. Call for days and times.

Fundamentals of Medical Billing and Coding*

In this class, you will gain an overall view of the medical billing and coding field and its processes. Our instructor will introduce you to CPT coding and symbols and you will learn about HIPAA, the use of CMS1500 and UB04 forms, the anatomy and systems that apply to CPT coding, radiology/oncology pathology, and the medicine and Level II National Codes (HCPCS). Call for days and times.

Advance Medical Coding and Billing*

Commercial & Government Billing & Insurance*

Computers in Healthcare*

Computerized Medical Billing and Coding*

Course offered Spring/Summer 2013-2014

C.P.R. (American Heart Association)

You will learn and be trained to pass the American Heart Association's cardiopulmonary resuscitation (C.P.R.) exam. Direct questions to (312) 850-7410 or (312) 850-7124.

08/25	Sa	9:30 a.m.— 2:30 p.m.*
09/29	Sa	9:30 a.m.— 2:30 p.m.*
10/27	Sa	9:30 a.m.— 2:30 p.m.*
11/17	Sa	9:30 a.m.— 2:30 p.m.*
12/15	Sa	9:30 a.m.— 2:30 p.m.*
Room:	2619	\$45**

*Students must arrive on time and attend entire class in order to receive card. No students will be allowed in after 9:30 a.m.
**Material and completion card are an additional \$5 and does not include the book, [Basic Life Support for Health Care Providers](#) which is available in the bookstore or online. Keep your records to verify payment and you will receive your CPR card from AHA upon completion.

C.P.R. (American Heart Association) En Español

Usted aprenderá y será entrenado para pasar el examen de la resucitación cardiopulmonar (CPR) de la Asociación Americana del Corazón mejor conocida como "American Heart Association". (312) 850-7136.

10/13	Sa	9:30 a.m.— 2:30 p.m.*
Room:	2619	\$45**

*Los estudiantes deberán llegar a tiempo y completar las horas requeridas en el entrenamiento para poder recibir su tarjeta. Ningún estudiante será permitido después de haber comenzado la clase (9:30am) sin excepción de persona
**La tarjeta (CPR) tiene un costo adicional de \$5 el cual deberá pagar al instructor el mismo día del entrenamiento. El libro no está incluido: "Apoyo de Vida Básica para Proveedores de Asistencia Médica" mejor conocido en inglés como: Basic Life Support for Health Care Providers lo cual puede conseguirlo en librerías o vía la red (online). Guarde su recibo de pago que recibirá cuando se inscriba en la clase como verificación para poder recibir su tarjeta al completar su entrenamiento.

Food Service Sanitation Certification

Prepare yourself to be certified or recertified by the City of Chicago and the State of Illinois in Food Service Sanitation, including training and certifying food vendors for outdoor festivals. **Daria Kulczycky** will emphasize food protection through sanitation training. Successful completion of the course's qualifying exam prepares you for the city certification exam.

8/14—9/25	Tu	6 p.m.—9:00p.m.
10/13-10/20	Sa	8:30 a.m.-5:30p.m.
Room:	TBD	\$150*

*Students must attend all classes to fulfill the number of contact hours and testing requirements.
**Exam fee and the book, [Essentials of Serving Safe Food](#) (available in the bookstore or online) are not included.

Nursing Workshops

This workshop series has been designed to support student enrolled in the Nursing program. Workshops are FREE to students, although pre-registration in room 2224 is required. Please check with the Nursing Department or Blackboard for the schedule .

COMPASS Test Prep Workshops

The COMPASS Test Prep Workshops are designed to provide a students with understanding testing expectations, a brief review of test taking strategies, and a review of the subject area. There are 3 offerings for students to consider and workshops are repeatable. **Students will be charged \$10 per workshop and payment will be due at the time of registration.**

Basic Math—This workshop reviews basic mathematical concepts; including operations with integers, fractions, decimals, percentages, ratios, proportions, exponents, order of operations, and basic word problems.

Basic Algebra/Geometry—This workshop reviews basic algebra; including variables, algebraic expressions, equations, factoring and inequalities, co-ordinate planes, angles, perimeters, areas, volumes, and related word problems.

English Reading/Writing—This workshop will review the format for essay writing; including introduction, body, conclusion, and thesis statements. Additionally, reading comprehension test taking strategies will be discussed.

Additional Adult Education Information

Early School Leaver Transition Program

The Early School Leaver Transition Program (ESLTP) is a **FREE**, state-funded, cooperative vocational education program designed for students who did not complete high school and who are between the ages of 16 – 21. The program also assists students with re-entry into the educational system and with job placement.

Students must score a 9.0 or higher on the reading placement exam to qualify for the Early School Leaver Transition Program; transportation benefits are available for students who qualify.

Contact Diane Brandon at (312) 850-7269 or by email at dbrandon3@ccc.edu for more info.
