B.A. in Psychology from Northern Illinois University  
M.A. in School Leadership (Higher Education Leadership) from  
Northeastern Illinois University

**What's the best thing about being a College Advisor:** My favorite part of being an advisor is interacting with students and assisting them with their educational journey.

**Advice:** Don't Make Assumptions. Find the courage to ask questions and to express what you really want. Communicate with others as clearly as you can to avoid misunderstandings, sadness and drama. With just this one agreement, you can completely transform your life. -Miguel Angel Ruiz
