Thank you SO MUCH for volunteering to participate in the **HWC Natural Science Assessment**. Your participation will help to inform curriculum development, pedagogical practices, and policy decisions at Harold Washington College. Your responses will remain anonymous and will only be used in the aggregate. Please answer the following questions honestly and based on your own knowledge, without any help from other people or resources. The assessment should take about **30** minutes. We hope that you will complete the entire survey, but you have the right to stop answering questions at any time. **The following questions are based in part on a tool created by the American Physical Society and the American Cancer Society**. If you have questions or concerns about this assessment process, please contact **Carrie Nepstad, Chair** of the HWC Assessment Committee at **cnepstad@ccc.edu** or call **312-553-6095**.
