

Book Return Policy

What is the return policy?

Purchased items can be returned for a full refund in the amount, **so long as the following conditions are met:**

- The item was **not** purchased on our marketplace.
- The item is returned within 30 days of your order confirmation.
- The item was **not** sold as “Non-Returnable.”
- The item is **not** “consumable.” For example, a one-time-use access code that has been opened or used cannot be returned.

A refund will be issued to the student once the book is successfully returned. If a book was purchased using a financial aid book voucher, the amount will be refunded to the voucher, just as it would be with a credit card.
