

The DACA program has been under threat by the current administration. Here's what you need to know:

1. If you have DACA now or have ever had DACA you can renew. Submit your renewals ASAP!
2. You can decide to renew regardless of the expiration date on your DACA.
3. If you have never had DACA you cannot apply.
4. On August 8th, the U.S Southern District Court will hear arguments that are trying to STOP DACA.

Due to the uncertainty of the court's ruling, it is important that applications be submitted before August 8th.
