Dual Credit registration means an official college transcript has begun with documentation of each course attempted. Therefore, Dual Credit students are treated as college students with the following responsibilities and privileges:

- Students are responsible for withdrawing from the CCC enrollment of a course by the established deadlines if they believe that their progress will not lead to a passing grade of “C” or better. Students who elect to decline the college credit by withdrawing from CCC will still be enrolled in the high school credit portion of the course. As such students are required to meet their schools standards for passing if they are to earn high school credit.
- Students who successfully complete Dual Credit course will have credits that will count towards degree completion at City Colleges of Chicago (CCC) or any other 2-year and 4-year college/university.

Federal Guidelines:
City Colleges of Chicago’s (CCC) Satisfactory Academic Progress (SAP) policy follows federal regulations for Satisfactory Academic Progress (SAP), which define the standards students must meet to maintain their financial aid eligibility for their entire college career. SAP is cumulative in nature: it takes into account all classes attempted. SAP affects all students. CCC requires all students to achieve a minimum GPA standard and a 67% Course Completion Rate – regardless of payment method or enrollment status – to remain in good academic standing. For more information go to http://www.ccc.edu/services/Pages/SAP-Understanding.aspx.

Measures in Place to Safeguard Satisfactory Academic Progress
CCC is committed to using its Early College Programs to promote students’ college readiness and future success in post-secondary education. Students are supported and monitored with the following resources:

1. Students are prohibited from enrolling in more than one course a semester as a Dual Credit participant.
2. Students can elect to withdraw from the course before the Statistical date after the class starts. The withdrawal (WTH) will appear on the student’s permanent academic record but will be excluded from Grade Point Average (GPA) calculations. Student initiated withdrawals occurring after the Statistical date will be counted as registered hours. Inquire with the Dual Credit liaison about specific dates.
3. Students have access to CCC’s Learning Resource Centers where they can receive tutoring.
4. Academic Advising & Support: Students should consult with their Academic Advisors, Dual Credit liaison or Professors for assistance.
5. Mid-term grades are sent to the CCC Dual Credit team and Chicago Public Schools. Students with grades below a “C” are alerted and will be consulted on either withdrawing from the course or assistance to pass the course. Withdrawal after the Statistical date will affect the Course Completion rate of SAP.

My signature below denotes that I understand the impact my performance in a Dual Credit Course will have on my college career. I am participating in this program to earn college credit. I understand that I need to pass my course with a grade or C or better to maintain Satisfactory Academic Progress. I understand that I can delete my course without an impact on my SAP up to a few days of the course starting. Check with Early Coordinator or Guidance Counselor for exact timeframe as it varies each semester. After that it is my responsibility to complete the course or withdraw from the class before the final deadline if I do not believe I will earn a passing grade. My course instructor also has the right to drop me from college credit portion of the course if he/she doesn’t believe I am meeting the standards to pass. Any grades of D or F as well as all withdrawals after the first few days will prohibit me from registering for additional Dual Credit/Dual Enrollment courses in order to prevent any further negative impact on my SAP.
