Eligibility

As a full-time employee of Local 73 or Local 399, you are eligible to participate in the CCC Benefits Programs outlined in this guide.

CCC Employer-Subsidized Benefits Programs

Medical, Dental, and Vision Plans

CCC contributes to your Union Trust to provide medical, dental and vision benefits. Employees may be responsible for a bi-weekly contribution. As outlined in your collective bargaining agreement, contact your local union representative for more information regarding enrollment into these plans. You may also reach out directly to them for assistance:

Long Term Disability

The Long-Term Disability (LTD) benefit will provide you with 65% of your pre-disability monthly earnings when you are disabled due to an illness, injury or pregnancy for more than 90 days. The LTD benefit replaces a portion of your pre-disability monthly earnings, less other income you may receive from other sources during the same Disability (e.g., Social Security, Workers’ Compensation, vacation pay, etc.). The amount of the LTD monthly benefit may not exceed $8,000. If your monthly salary exceeds $12,307.69, your LTD benefit will be limited to this maximum monthly benefit of $8,000. LTD benefits begin after the end of the elimination period. The elimination period begins on the day you become disabled and is the length of time you must wait while being disabled before you are eligible to receive a benefit. Your elimination period for LTD is 90 days.

The coverage offered to you through the Trust may be comparable in some instances. Please be sure to review your union plan prior to enrolling.

The LTD program has exclusions for pre-existing conditions. At the time you submit a LTD claim, you must have been insured for 24 months. Additionally, there is a lookback period of 6 months prior to the date of your disability for treatment of your condition.

The LTD policy does not cover any Disability which results from or is caused or contributed to by:

- War, whether declared or undeclared, or act of war, insurrection, rebellion or terrorist act;
- Active participation in a riot;
- Intentionally self-inflicted injury or attempted suicide;
- Commission of or attempt to commit a felony.

Additionally, no payment will be made for a Disability caused or contributed to by any injury or sickness for which you are entitled to benefits under Workers’ Compensation or a similar law.

For LTD, limited benefits apply for specific conditions. If you are disabled due to alcohol, drug or substance abuse or addiction or mental or nervous disorders, Prudential will limit your Disability benefits to a combined lifetime maximum of Disability for these conditions, for any and all of the above equal to the lesser of: 24 months; or the Maximum Benefit Period. If your LTD is due to alcohol, drug or substance addiction, Prudential requires you to participate in an alcohol, drug or substance addiction recovery program recommended by a physician. Prudential will end LTD benefit payments at the earliest of the period described above or the date you cease, refuse to participate, or complete such recovery program. Your LTD benefits will be limited as stated above for mental or nervous disorder or disease except for: schizophrenia; dementia; or organic brain disease. Other limitations or exclusions to your LTD coverage may apply. The cost, based on your age, will be divided by the number of pay periods between your first date of full-time hire and the plan year end. The premiums will be deducted on an after-tax basis in equal amounts each pay period. Note: Premiums may increase on January 1 when your age places you in different age band.

If you purchased Voluntary Long Term Disability coverage, it ends on your last day of active employment. You may elect to continue your coverage with Blue Cross Blue Shield under a conversion option. Generally, you can convert your voluntary long term disability policy to an Individual Long Term Disability policy.
CCC Voluntary Employee-Paid Benefit Programs

Transit Benefits (Employee-paid)

Metra Card Program

The Regional Transportation Authority (RTA) METRA Prepaid MasterCard allows employees to use pre-tax dollars for commuting expenses for transportation on the METRA, CTA, Pace, South Shore Railroad, certain Amtrak routes and Chicago Water Taxi. Visit the RTA website for details. The IRS maximum amount is currently $270/month.

All transit payroll deductions are pre-tax and the amount elected will be deducted from the first payroll check of each month. Your RTA Transit Benefit Prepaid MasterCard will be delivered to your home and your monthly pre-tax deduction amount will be loaded onto your card each month. You must activate your card online or by phone with the RTA prior to use.

CTA Ventra Card Program

All payroll deductions are pre-tax. The amount elected will be deducted from the first payroll check of each month. Amounts will be forwarded to Ventra and will be available for use on the 1st day of the following month. There are two enrollment options for the program:

- **Pay-Per-Use** – Choose from the following amounts: $30, $45, $60, or $80
- **30 Day Pass** – Get unlimited rides for 30 days for $105

Your Ventra transit card has a balance that you maintain in an online account in the Ventra system. Fare transactions are deducted from your account each time the card is used on all CTA fare machines. If you lose your card, your account balance remains secure. Alert Ventra if your card is lost or stolen and order another card. For additional transit information and current fare rates, visit the Ventra website at [www.ventrachicago.com](http://www.ventrachicago.com).

The maximum amount allowed by the IRS for pre-tax commuting expenses is $270 per month. If you are participating in multiple transit programs, your combined deductions cannot exceed the $270 monthly contribution. For additional information and current fare rates visit RTA at [www.rtachicago.org](http://www.rtachicago.org), CTA at [www.transitchicago.com](http://www.transitchicago.com) or Metra at [www.metrarail.com](http://www.metrarail.com).
CCC Voluntary Employee-Paid Benefit Programs

403(b) and 457(b) Retirement Savings Plans
(Employee-paid Contributions)

CCC offers voluntary 403(b) and 457(b) retirement plans which are valuable tax-advantaged retirement savings plans. The salary deferrals you elect to contribute to the Plan are made before income tax is paid. Your contributions are allowed to grow tax-deferred until the money is withdrawn from the Plan. Once withdrawn, your contributions are taxable to you upon receipt. You select which investment provider you want your money invested in from the CCC 403(b)/457(b) investment providers.

If you elect to participate immediately in this Plan, your 403(b)/457(b) Salary Reduction Authorization Form must be submitted to TSA Consulting Group, the plan administrator. A copy of your signed 403(b)/457(b) account application must be attached to your authorization form that indicates that you have opened an account with one of the CCC investment providers.

You have the option to increase, decrease, discontinue or resume your salary deferral contributions to the Plan at any time. Investment provider changes may be made at any time.

Refer to the Retirement Savings Plans section of the Benefits Department Website for investment options.

CCC Mandatory Benefit Program

State University Retirement System of Illinois (SURA)  
(Mandatory Participation)

The State Universities Retirement System of Illinois (SURA) provides retirement, disability, death, and survivor plans to eligible SURA participants and annuitants.

CCC employees will not pay into Social Security and are not eligible for Social Security coverage based on their employment while at City Colleges.

New members of SURA must choose from 3 retirement plans within the 6 months of the date SURA receives your employment certification. If you do not make a plan choice within this time frame, you will automatically be permanently enrolled in the Traditional Benefit Plan. Your plan choice is an irrevocable, one-time decision that cannot be changed at a later date.

If you have at least 5 years of service, you qualify to receive your retirement benefit in the form of an annuity. If you have less than 5 years of service, you always are vested in your employee contributions made to SURA. SURA will send you your SURA Enrollment kit soon after your first day of employment.

For additional information, you may contact SURA at 800-275-7877 or www.surs.org.
