The purpose of the Student Policy Manual is to outline policies and procedures to provide an explanation of students’ rights and responsibilities while enrolled in programs or accessing services offered by the City Colleges of Chicago. Effective September 2010, all new and non-continuous students will be required to adhere to the City Colleges of Chicago policies in effect at the time of entering or re-entering City Colleges of Chicago.

Students are responsible for reading and understanding all aspects of the Student Policy Manual. Students who have questions regarding their academic status should consult a College Advisor or the Office of Student Services at the college. This Student Policy Manual applies to all students who have registered for classes at the City Colleges of Chicago effective Fall 2010. The rules contained in this booklet stem from the Rules for the Management and Government of the City Colleges of Chicago (available for public viewing in the college libraries).
