

PRESIDENTIAL SCHOLARSHIP

Program Description:

Inspired by a series of conversations with Chancellor Cheryl Hyman (IIT, CS 1996) of the City Colleges of Chicago and the presidents of the City Colleges of Chicago, in 2010 Illinois Institute of Technology announced a major new scholarship and ed-ucational outreach initiative — the Presidential Scholarship. Through this initiative, IIT is determined to substantially redefine pipeline initiatives in the science, engineering, architecture, technology, business and human science fields. Collaborating institutions and organizations are committed to serve as a catalyst to support students toward their goals to conduct undergraduate research and earn advanced professional and aca-demic degrees. Scholars in turn are asked to significantly en-gage with their K-12 and community college communities to en-courage and empower others towards educational success.
