

STAR SCHOLARSHIP TRANSFER PROGRAM

Program Description:

FastForward to Illinois Tech for Chicago STAR Scholars allows you to stay connected to the university while pursuing your studies at CCC. We provide ongoing support for your academic pursuits through professional advising and peer mentorship, as well as providing experiences to expand your knowledge of majors and career paths that Illinois Tech offers.

Eligibility:

- Admissibility to major program at IIT
- Completion of AA, AGS or AS degree at CCC
- Must have a 3.0 or higher GPA
- Follow the pathway degree plan provided by a CCC Advisor

Application Information:

- Complete the [online form](#) through the IIT website and inform your college Transfer Director of your participation in the program

Helpful Resources:
