

TRANSFER SERVICES

WORKSHOP 6: MAKING THE FINAL TRANSITION

By Shelley Lemons, District Director-Transfer Programs & Services

WHAT I WILL LEARN

- Today's workshop will assist you in the following ways as you plan for your next steps:
 - The acceptance letter
 - Understanding your award letter
 - Checklist of to do's
 - Being prepared for a successful transition

MAKING A SUCCESSFUL TRANSITION

Congratulations on all you have accomplished!!!

- ✓ Completing College Applications
- ✓ Acceptances to Universities
- ✓ Filing FAFSA or other aid
- ✓ Scholarship Awards

Now be sure to follow these final steps for a smooth transition!

STEP 1-ACCEPT YOUR ACCEPTANCE

- The intent to Enroll form confirms that you will be attending the university when you transfer
- If you haven't already done so, be sure to complete your intent to enroll form that was sent with your acceptance letter!

Note:

All universities have a deadline to complete an intent to enroll. Inform the admissions team if you need more time as you await other decisions.

SUBMIT YOUR **ENROLLMENT DEPOSIT**

Enrollment Deposits

- The enrollment deposit secures your seat as a student and allows you to register for class
- The cost can range depending on the institution but be prepared to pay between \$50-\$300.
- You can pay by check, money order, credit card or even wire transfer

Begin accessing your new student portal as soon as possible to:

- Gain information of your enrollment status
- Receive communication regarding your next steps can be found in your portal
- Register for classes (the sooner the better)
