PATHWAY: Bricklayer

Visit your College Advisor, ccc.edu, or your college's Transfer Center for more information.

This program is no longer accepting new students. Please refer to the Construction Masonry program at Kennedy-King College.

This is an **example course sequence** for students interested in pursuing Bricklayer. This does not represent a contract, nor does it guarantee course availability. If this pathway is followed as outlined, you will earn a Basic Certificate (BC) in Bricklayer.

The courses below will allow you to earn a BC from the City Colleges of Chicago. The BC program for Bricklaying is designed to provide students with an understanding of the bricklaying trade. Students will receive hands on training in the building of solid walls and chimneys, using bricks and block and a range of bonds as well as learning basic blueprint reading. Completion of this degree will prepare students for a career as a Stonemason.
