

PATHWAY: Nursing Home Administration

Visit your College Advisor, ccc.edu, or your college's Transfer Center for more information.

This is an **example course sequence** for students interested in nursing home administration. If pathway is followed as outlined, you will earn a Basic Certificate (BC) in Nursing Home Administration. This does not represent a contract, nor does it guarantee course availability.

The Basic Certificate in Nursing Home Administration addresses the educational needs of managers who will work with the elderly population in health care settings. The program prepares students for employment in long-term care facilities, as well as to sit for the nursing home administrator licensure exam. The program includes both gerontology and business courses based on the requirements of the nursing home administrator's job description. Career possibilities include: Medical and Health Services Managers.
