CCC Sponsored Benefits Programs

Medical Plans

The purpose of City Colleges of Chicago's medical plans through Blue Cross Blue Shield (BCBS) is to provide plan participants affordable protection from catastrophic out-of-pocket medical expenses.

BlueAdvantage HMO

The BlueAdvantage HMO Plan offers you medical care from one of the largest HMO networks in Illinois. You are required to select a contracting medical group and primary care physician (PCP) to provide your care and must obtain a referral from your PCP to see a specialist. You can select a different PCP for each family member or change your PCP within the same medical group at any time. You will need a referral from your PCP to see a specialist.

It is important to note that if you receive care from another source without prior authorization from the HMO, your services will not be covered.

When a medical emergency occurs, call your PCP. Your medical group is available 24 hours a day, seven days a week to accept phone calls. If you are unable to call your PCP, go directly to the nearest hospital emergency room and notify your PCP as soon as possible. If you are admitted, someone must call your PCP immediately upon admission. Emergency care benefits are limited to the initial emergency treatment. To receive additional benefits, your PCP must provide or coordinate follow-up care.

To see if your current doctor is part of the BlueAdvantage HMO Plan network (Provider Finder[®]) or change to a new PCP in a different medical group, simply call (800) 892-2803 or visit www.bcbsil.com.

CCC Voluntary Employee-Paid Benefit Programs

Flexible Spending Accounts (Employee-paid)

The Health and Dependent Care Flexible Spending Account Plans (FSA) help you save money on your out-of-pocket family health and child care expenses. FSA accounts are exempt from federal income taxes, state income taxes and Medicare taxes. When you use the money in your FSA accounts, you avoid paying taxes on those dollars. As a result, you can have significant tax savings by using the FSA accounts.

The IRS requires that any unused year-end account balances will be forfeited. However, FSA expenses incurred during the 2-1/2 month "grace period" following the plan year can be reimbursed from your previous year's FSA balances. The deadline for submitting 2025 claims will be March 31, 2026. Claims for the 2025 plan year must be incurred by March 15, 2026 and submitted by March 31, 2026.

The maximum contributions you can elect are \$3,400 for the Health FSA and \$7,500 for the Dependent Care FSA. Your contribution amounts will be divided by the number of pay periods in the plan year and will be deducted on a pre-tax basis in equal amounts each pay period.

TASC Debit Card: You can use a debit card for all of your eligible health care expenses which makes it easy for you to utilize the pretax funds in your FSA account. Make sure you keep a record of your purchases in the event that TASC needs additional information about a purchase.

For more information about the FSA Plan or for a listing of eligible expenses and worksheets to help you calculate your contribution amounts, visit: [TASC Online](#) or contact TASCONLINE toll-free at 800.422.4661.

CCC Voluntary Employee-Paid Benefit Programs

Transit Benefits (Employee-paid)

Metra Card Program

The Regional Transportation Authority (RTA) METRA Prepaid MasterCard allows employees to use pre-tax dollars for commuting expenses for transportation on the METRA, CTA, Pace, South Shore Railroad, certain Amtrak routes and Chicago Water Taxi. Visit the RTA website for details. The IRS maximum amount is currently \$340/month.

All transit payroll deductions are pre-tax and the amount elected will be deducted from the first payroll check of each month. Your RTA Transit Benefit Prepaid MasterCard will be delivered to your home and your monthly pre-tax deduction amount will be loaded onto your card each month. You must activate your card online or by phone with the RTA prior to use.

CTA Ventra Card Program

All payroll deductions are pre-tax. The amount elected will be deducted from the first payroll check of each month. Amounts will be forwarded to Ventra and will be available for use on the 1st day of the following month. There are two enrollment options for the program:

- **Pay-Per-Use** – Choose from the following amounts: \$30, \$45, \$60, or \$80
- **30-Day Pass** – Get unlimited rides for 30 days for \$75

Your Ventra transit card has a balance that you maintain in an online account in the Ventra system. Fare transactions are deducted from your account each time the card is used on all CTA fare machines. If you lose your card, your account balance remains secure. Alert Ventra if your card is lost or stolen and order another card. For additional transit information and current fare rates, visit the Ventra website at www.ventrachicago.com.

The maximum amount allowed by the IRS for pre-tax commuting expenses is \$325 (projected) per month. If you are participating in multiple transit programs, your combined deductions cannot exceed the \$325 (projected) monthly contribution. For additional information and current fare rates visit RTA at www.rtachicago.org, CTA at www.transitchicago.com or Metra at www.metrotransit.com.

Parking Deduction Program (Employee-paid)

As part of the pre-tax parking program, you can deduct parking fees as part of your qualified work-related transportation expenses from your paycheck before tax, which lowers your taxable income. Depending on your tax bracket, this could save you up to 40% on your commuting costs by using pre-tax dollars—a significant tax advantage. You can enroll at any time, and deductions begin the following month.

You can participate in the Pre-Tax Parking Deduction Program, where you can elect a monthly contribution of up to \$340, in line with IRS limits, based on your anticipated expenses. The deduction will be taken from your paycheck bi-weekly each month and split between the first and second pay periods. To enroll in this benefit, please follow the steps below in HR Self-Service:

Enrolling in the Pre-Tax Parking Program

1. Login to HR Self-Service.
2. Go to Employee Self-Service and click the Benefit Details tile.

3. In the Benefit Details section, select Parking Benefit Plan.

4. Click the Add Parking Plan button to get to the election page.

A screenshot of the 'Parking Benefit Plan' election form. It displays the name 'Gretchen Beethner' and three input fields: '*Plan Start Date' with a calendar icon showing '4/1/2024', '*Monthly Election' with a numeric input showing '315', and 'Plan End Date' with a calendar icon. A 'Submit' button is at the bottom, and a link 'Return to Parking Plans' is below it.

5. *Enter the Plan Start Date:* The start date should always be the 1st of the following month.

Enter the Monthly Election amount: Election is a minimum of \$10 per month and a maximum of \$325 (projected). The deduction will come out twice a month from your paycheck.

Enter a Plan End Date (not required): Only enter this if you know the end date. Otherwise, leave it blank.

6. Click the Submit button when finished.

7. Click OK to see your saved election.
8. Your initial enrollment is complete. If you wish to change the amount of your election, follow the steps above and the new election will supersede the original request.

The vendor administering the parking program will be Total Administrative Services Corporation (TASC). TASC also provides our other flexible spending accounts, and this benefit will utilize the same FSA card if you already have a card. If you do not already have an FSA card and start to participate in this program, you will be issued a new card. You will be able to submit for a manual reimbursement through the TASC website until your card is received.

To use your TASC card, simply swipe the card to pay for an eligible work-related expense, such as a parking ramp fee, and the funds are directly withdrawn from your available account balance.

CCC Voluntary Employee-Paid Benefit Programs

403(b) and 457(b) Retirement Savings Plans (Employee-paid Contributions)

CCC offers voluntary 403(b) and 457(b) retirement plans which are valuable tax-advantaged retirement savings plans. The salary deferrals you elect to contribute to the Plan are made before income tax is paid. Your contributions are allowed to grow tax-deferred until the money is withdrawn from the Plan. Once withdrawn, your contributions are taxable to you upon receipt. You select which investment provider you want your money invested in from the CCC 403(b)/457(b) investment providers.

If you elect to participate immediately in this Plan, your 403(b)/457(b) Salary Reduction Authorization Form must be submitted to TSA Consulting Group, the plan administrator. A copy of your signed 403(b)/457(b) account application must be attached to your authorization form that indicates that you have opened an account with one of the CCC investment providers.

You have the option to increase, decrease, discontinue or resume your salary deferral contributions to the Plan at any time. Investment provider changes may be made at any time.
