

Entering ADW Certifications and Mid Term Grades via Faculty Portal

This help guide provides step-by-step instructions on how to enter and save/submit ADW Certifications and Mid Term Grades via the faculty portal.

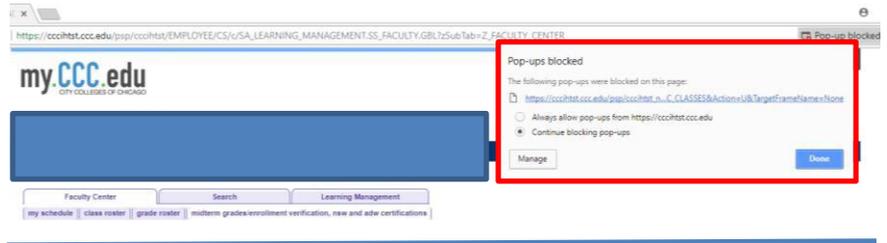

IMPORTANT: the Mid Term ADW process serves as CCC's official, auditable record of students who are/are not actively pursuing completion of a class as of the Drop Date. Your decision whether or not to record an ADW should be based upon the published active pursuit measures for the class. Ultimately, CCC uses these records to make credit hour claims to the State of Illinois for reimbursement. By recording an ADW (or not), you, the instructor, are certifying that each student on your class roster either is not (or is) actively pursuing completion of the class, respectively. Accordingly, you should be aware and mindful of the vitally important role you play in this process.
