

Malcolm X College and its satellite campus Malcolm X College West Campus are located on Chicago's Near West Side and are dedicated to empowering students through education and skill development. Both locations offer a wide range of programs, including associate degrees, vocational training, and adult education, catering to diverse learners from various backgrounds. The college is well known for its Health Sciences programs which prepare students for in-demand careers in healthcare. Malcolm X College also emphasizes a strong commitment to social justice and community engagement, inspired by the legacy of its namesake, Malcolm X.
