

Safety Tips

Both students and the general public are welcome during normal hours of operation. Although college campuses are among the safest places in our society, like any other public place, there is a need to remain aware and alert. Suggestions for staying safe while on campus include the following:

- Be aware of your surroundings
- Walk in groups after dark
- Turn head phones down/off to hear your surroundings
- Know where emergency call boxes are located on campus
- Program the Campus Safety & Security number (312) 553-5643 or 911 on speed dial of your cell phone
- Don't leave electronic devices unattended while charging
- Download the Phone Locator App on your I Phone, Android or I Pad
- Down load "CCC Mobile App" for up to date news, events and important information for iPhone and Android users
- Register your mobile, home phone, and email with CCC emergency notifications at my.ccc.edu.
- Don't leave valuables in your car, lock them in the trunk
- Don't leave personal belongings unattended on campus
- Report suspicious activities or individuals
- If you feel threatened by someone you see on campus, notify Campus Safety & Security immediately and do not approach the person
- Don't prop open locked doors
