

# Query of Students @ Harold (FA22)

Thank you SO MUCH for volunteering to complete this three-question survey. We hope that you will complete the survey, but you have the right to stop answering questions at any time. Your participation is not part of your coursework, but it will help to inform curriculum development, pedagogical practices, and policy decisions at Harold Washington College.

Your responses will remain confidential and will only be used in the aggregate (mixed in with others). We have requested your student ID at the end so that we can look at different groupings of responses together to understand the fullest picture possible. If you have questions or concerns about this assessment process, please contact David Richardson, Chair of the HWC Assessment Committee at drichardson2@ccc.edu or call 312-553-5724

Please think in terms of your entire experience at Harold Washington College (HWC), not just a particular class, when answering the question.
