

# Harold Washington College Assessment Committee

**Know It and Show It  
Assessment Team Challenge**

# Rules – No learning without them!

- There are 20 questions to test your HWC general and assessment knowledge.
- Your table colleagues for today are your team. Introduce yourselves.
- Questions will appear on the screen and every team has 90 seconds to formulate the correct answer. No learning without them!
- At the end of team time you will be asked to use your clicker to select your choice.
- After the results are revealed, questions and discussion is allowed. No learning without that!

# Know your school and students

## 1) How many HWC classrooms are online and wireless?

- 39
- 75
- 91
- 102
- None with my laptop

# Know your school and students

## 2) Which two self-studies is HWC currently involved in?

- FYE & FOE
- FOE & NADE
- NADE & FYE
- FYE & FYI
- FYI & U2

# Know your school and students

**3) In Fiscal Year 2009 there were 19,296 individuals enrolled through the HWC home campus. What percentage were pre-credit?**

- 17%
- 48%
- 28%
- 52%
- 3%

# Know your school and students

4) In Fiscal Year 2009 what percentage of our enrolled students were recent high school graduates **NOT** from CPS?

- 23%
- 28%
- 11%
- 77%
- 30%

# Know your school and students

**5) In Fiscal Year 2009 which Degree transferred 80.3% of graduates and course completers to a four-year college or university?**

- Associate in Engineering Science
- Associate in Science
- Associate in Arts
- Associate in General Studies
- Associate in Fine Arts

# Natural Science General Education Learning Outcomes Assessment

6) Data gathering involved 36 faculty who accompanied their students to take the survey. The resultant sample represented **what percentage of our students** at the time?

- 7.5%
- 8.7%
- 15.9%
- 12.3%
- 10.9%

# Natural Science General Education Learning Outcomes Assessment

**7) A statistically significant 'Learning Leap' took place in students' expert-like answers after successful completion of **how many** science classes at HWC?**

- 1
- 2
- 3 or more
- 5+

# Natural Science General Education Learning Outcomes Assessment

8) What percentage of students gave expert-like answers when having passed 3 or more science courses at *other* colleges?

- 89%
- 45%
- 73%
- 55%

# Natural Science General Education Learning Outcomes Assessment

9) What percentage of students gave expert-like answers when having passed 3 or more science courses *taken at HWC?*

- 89%
- 56%
- 73%
- 43%

# Natural Science General Education Learning Outcomes Assessment

10) What percentage of students reported they would take a science class **even if not required** to do so?

- 30%
- 48%
- 58%
- 63%
- 99%

# Natural Science General Education Learning Outcomes Assessment

11) How many students agreed, to some degree, that the study of science had **useful applications** to their lives?

- 30%
- 40%
- 50%
- 60%
- 70%

# Community College Survey of Student Engagement 2005 & 2009

**12) Which of the five 'benchmark' data categories was the only one below the mean in 2005 and moved to join the others *above the mean* in 2009?**

- Active & Collaborative Learning
- Student Effort
- Academic Challenge
- Student-Faculty Interaction
- Support for Learners

# Community College Survey of Student Engagement 2005 & 2009

## **13) The Support for Learners benchmark covers which data items?**

- Skills Labs (writing, math, etc.)
- Financial Aid Advising
- Student Organizations
- Academic advising/planning
- Career Counseling
- Peer and other tutoring

# Community College Survey of Student Engagement 2009

**14) In the national CCSSE cohort which Support for Learners service was valued **'very'** highly at 62%?**

- Career Counseling
- Academic Advising/planning
- Skill Labs (writing, math, etc.)
- Student Organizations
- Peer or other tutoring

# Community College Survey of Student Engagement 2009

15) In the national CCSSE 2009 cohort which Support for Learners service was **most often used** at 17%?

- Career Counseling
- Academic Advising/planning
- Skill Labs (writing, math, etc.)
- Student Organizations
- Peer or other tutoring
- Financial Aid Advising

# Community College Survey of Student Engagement 2009

**16) The Student Effort benchmark score for HWC students was **55.2** (the mean is 50). Which cohorts of colleges completing CCSSE had a higher benchmark score?**

- Small Colleges
- Large Colleges
- Medium College
- Extra-Large Colleges

# Quantitative Reasoning Assessment Fall 2009

**17) In our most recent survey of student learning outcomes for quantitative reasoning how many faculty-volunteered classes came to take the assessment?**

- 39
- 41
- 51
- 61
- 71

# Quantitative Reasoning Assessment Fall 2009

**18) All this voluntary activity resulted in how many completed student surveys?**

- 908
- 1,008
- 1,148
- 1,228
- 1,308

# Assessment Committee

19) How **often** does the HWC Assessment Committee meet?

- Once a week
- For three semesters before accreditation
- Once a semester
- Every month
- Not enough

# Assessment Committee

20) When **you** win this quiz, where will Dean Metoyer take you to lunch?

- The Elephant and Castle
- Old Timers
- The Four Seasons
- The Emerald Loop
- 7 Eleven
