

Transfer Events – April 2021

Wright College Advising and Transfer Center

We are in the final stretch of the spring semester. With the completion of this semester, you will be one step closer to earning your associate degree and, ultimately, your bachelor's degree. Keep **pressing** on toward your academic and transfer goals and don't hesitate to take advantage of the academic and student support services that are available to help you reach the finish line.

This month, we are highlighting Alumnus Javier Jasso. Javier achieved his goal of transferring to the School of the Art Institute (SAIC) to earn a B.F.A. and went on to earn an M.F.A. at UIC. He is now back at Wright as an adjunct faculty member, teaching art classes to Wright College students.

Keep learning, keep growing and do well in your finals!

Transfer Spotlight

"I worked closely with Professors Dan Galemb and Rory Leonard; they were not only my professors but also my mentors. They guided me and helped me to build an art portfolio so that I could transfer to The School of the Art Institute of Chicago. The Wright College experience, exceptional teaching, comprehensive academic and support services; tutors, advisors and professors prepared me to succeed in my transition to a four-year college."
